

Salon & Academy *A Slender Gender Initiative*

Solutions Salon and Academy invites you to discover our Full-time and Part-Time Courses in Beauty Therapy and Hair Dressing. With 'Education' being the core of all our initiatives, Solutions has pioneered India's first ever unique training programme open to people of all age groups. If you want to take a leap in your career and climb the corporate ladder then Solutions is the ultimate destination for you. Enroll in a course of your choice and we will train you to explore the impossible, to surpass all obstacles with ease and to become leaders in your respective specialization. You take the first step and leave the rest to us. With distinguished faculty to our credit, we adopt holistic teaching methodologies to groom our students to be professionals and to be better than the best.

All courses will be conducted by Mr. Haresh Sippy, Founder, Solutions Academy of Beauty Therapy and Hair Dressing, having over 26 years of experience in the beauty industry.

Opportunities for Men and Women

Today, lucrative careers are available for men & woman.

Bright future

The future for the beauty culture industry appears to be most promising. New techniques, new product, and new opportunities appear every day. The number of patrons who visit beauty salons and the amount of money they spend for services is constantly increasing.

Synergy of Theory and Practice

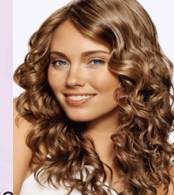

Keeping in mind the aims of the school extensive stress is laid on personal supervision and practical work, with an Intergration of Theory and Practice, the student receives individual attention and personal guidance.

Awards and Recognition

On successful completion of the course and achieving the standards of efficiency, Diplomas will be awarded to successful students. The decision of the director will be final, irrevocable and unquestionable.
